Life Education

Healthy Harold visited the school on Monday 3rd November.

Life Education programs are contemporary, engaging and highly relevant. We want all Australian kids to be empowered to make the best choices possible when faced with a range of issues. We want them to be safe and healthy.

Junior primary modules focus on:

- Food and Nutrition
- Personal safety
- Safety with medicines
- Body Systems
- Social relationships, and
- Physical activity

Middle and Upper Primary modules focus on:

- Social relationships
- Self esteem
- Body systems
- Personal safety
- Safety with medicines
- Food and nutrition
- Physical activity
- Cyber-safety
- Legal drugs - tobacco, alcohol and caffeine,
- Decision making

NRL Gala Day

Four schools, a cool day and a football.
Dip Day

On Friday 14th November the students spent the morning preparing a variety of dips, vegetable sticks, pita crisps and apple muffins. They then spent lunchtime eating.

Swimming

The School Swimming and Water Safety Program is a learn to swim and water safety program that develops water confidence and provides students with basic skills in water safety and survival for students in Years 2 to 6. The Program operates daily lessons of 45 minutes over 10 consecutive school days. The intensive nature of the lessons provide the most beneficial student outcomes.

Thank you to all the parents who have helped provide transport to allow our students to attend such a beneficial program.
Camp

Seven students are attending the Cascade Environmental Centre camp in December with Arthur.

Ms Feeney and Mr Duncan will be running school as normal for the majority of the students.

Students not going to camp are expected to attend school.

Concert

Tuesday 16th December, the annual school concert. More information after today’s P & C meeting. Donations are still needed for Christmas hamper raffle.

School Evaluation Survey

Please complete the attached survey and return to school as soon as possible.

Happy Holidays
