April 2014
**Cricket**

This month Millbank has been part of the Cricket Heroes Program to learn cricket skills. Members of the Kempsey Cricket Club come once a week to provide instruction, leading up to a cricket Gala day next Friday at Willawarrin Oval. There we will test our new skills against the other upriver schools.

**Soccer Gala Day**

Thursday 13th March was a 5 aside soccer competition against other Macleay schools. Millbank played 5 games, won three, lost two and Michael scored eight goals in one game. It was a fun and sociable day.

**Limestone cave**

Interesting rock

The limestone cave is beautiful

Caves are very deep

Personal Learning Plan meetings completed - thanks to parents and carers.
Harmony Day

An awesome day caving, we started with acknowledgement of country and discussion about safety. Ranger Penny showed us Bottle Cave and students took turns going underground with Arthur. After writing some Haiku poetry about caves it was off to Majors Creek for lunch. Some play, pulling some lantana and a rock throwing competition before heading back to school in time for the bus. What a great day!
