Science Day

We made lava lamps. We blew up balloons and put them in the sun with a magnifying glass and the black balloon (inside the white balloon) popped. Mr Hueston had a bag full of water and he put a pencil through it and it didn’t spill on the floor or on Tariq who was underneath.

Gabby

IT WAS FUN AND AWESOME.

Annie

Welcome to Hunter, our new student in Year 4,

John O’Neill

The annual John O’Neill sports carnival is on Thursday 13th June. We will be competing against Bellbrook, Greenhill and Willawarrin Schools at the Willawarrin oval.

The P & C will be making sausage sandwiches on the day and any help would be appreciated.
Firewise

Members of local Bushfire Brigade visited the school on Wednesday, 28th May to bring the fire safety message to students. Students listened intently in anticipation of the fun bit—trying on protective clothing and using the hoses to extinguish pretend fires.

Musica Viva

Tomorrow, Tuesday 3rd, we will be going to Willawarrin to see a performance by Mara!. This outstanding group mixes traditional vocal and instrumental repertoire from a wide variety of cultures with cool jazz. Students will see a range of woodwinds, bouzouki, baglama and double bass blend seamlessly with languages from around the world.
Commemorating Indigenous People in the Defence Forces
Kempsey Library is asking for contributions from people in the Kempsey Shire who may have photos or memorabilia relating to Aboriginal and Torres Strait Islander’s time spent in the Defence forces. It is hoped that these items may be loaned to the library to supplement the forthcoming Too Dark for the Light Horse exhibition. The exhibition will open at Kempsey Library on Monday 30 June and remain on exhibition for two weeks until Saturday 13 July. It will coincide with 2014 NAIDOC week, which this year has the theme of "Serving Country - Centenary and Beyond".

People who have photos or memorabilia they would like to loan to the library for this project should contact Ruth Waite at the library on 6566 3210, or send an email to ruth.waite@kempsey.nsw.gov.au

Edible Art
We made stuff with food. I made a horse. Gabby made a face. I was hungry and ate it all up.
